

## WALK CENTRAL FEATURES FOR TEAM CAPTAINS

To login to your Walk Central account, visit [www.jdrf.org](http://www.jdrf.org) and click on **Login** under the green sneaker icon on the JDRF homepage. Under **Walk Central Login**, enter the username and password you created when you registered for this year's Walk. Once you log in to your account, you will have access to the following Walk Central features designed to help you raise dollars and recruit walkers:

- ✓ **My Profile.** Under this tab you have the ability to update your:
  - **Preferences:** Revise the preferences you selected when you registered for the Walk (such as receiving specific JDRF information or receiving electronic notification when someone joins your team. You may also revise your individual fundraising goal under this tab).
  - **Registration Information:** Update your personal information (such as your mailing address) with the exception of "participant type", "team", and "team captain". To revise these items, contact JDRF.
  - **Fundraising Page:** Walk Central will provide you with a generic message on your fundraising page. JDRF encourages you to revise this message and make it your own! Your message should be a short, personal story telling people why it's important to you that a cure for diabetes is found. You may update your page at any time, as often as you like. You may also upload a photo to your page.
- ✓ **Send Donation Emails:** Import the email addresses of your friends and family inviting them to support your fundraising efforts (a link to your fundraising page will be included at the end of each email). You can return to Walk Central at any time to see who's made an online credit card donation and the amount of the gift.
- ✓ **My Donations:** View who has donated to you and any personal messages they included with their gift.
- ✓ **Manage My Team** provides you with the ability to:
  - **See Who Has Joined Your Team And How Much Each Walker Has Raised**
  - **Invite People To Join Your Team:** Import the email addresses of your friends and family inviting them to join your team (a link will be included at the end of your email, making it quick and easy for them to register).
  - **Write A Team Captain Message To Your Walkers:** Enter a message you would like all of your walkers to read. Send as many messages as you like, as often as you need!
- ✓ **Resources:** Find helpful fundraising tips, information about this year's Walk, and contact information for your local JDRF Chapter.
- ✓ **Donation Thermometer:** Watch the thermometer rise as you work toward reaching the individual fundraising goal you entered when you registered for the Walk. The dollars on the thermometer reflect your online (credit card) donations and funds submitted to JDRF before and after the Walk.
- ✓ **NEW THIS YEAR: Social Networking Applications:** With the click of a button, add your JDRF goal thermometer to your **Facebook** or **MySpace** account! Contact JDRF for more information.
